

Full line of Master Seal® bonded sealing washers (72 – 91% domestic)  
Full line of Master Flash® roof flashings (51% to 93% domestic)

These products are manufactured, processed, and distributed from points within the United States.

The domestic composition percentage is noted to the right of each description. Accordingly, these products comply with the domestic origin requirements delineated in the Buy American Act.

Sincerely,

*Matthew DeGraan, CEO  
Aztec Washer Company*
